

The Italian Society for Near Infrared Spectroscopy, in collaboration with the InnoRenew CoE and University of Primorska, is pleased to present the 9th National Symposium

# NIR Italia 2020

27-28 May 2020

beyond spectral range

For the first time in the history of SISNIR, the biennial National Symposium (a reference event in Italy for all professionals working with NIR spectroscopy) will be held in the halls of the University of Primorska (Koper, Slovenia).

The 9th National Symposium will bring together important players from the world of research and industry and allow them to socialize thanks to events designed to create productive networks of collaboration:

- Trip by boat to the Gala Dinner at a restaurant in Piran
- Visit to the Škocjan Caves, listed on the UNESCO World Heritage List
