

The Italian Society for Near Infrared Spectroscopy, in collaboration with the InnoRenew CoE and University of Primorska, is pleased to present the 9th National Symposium

NIR Italia 2020

27-28 May 2020

beyond spectral range

You are invited to submit an abstract for the NIR Italia 2020 conference.

For the first time in the history of SISNIR, the biennial National Symposium will be held in the halls of the University of Primorska (Koper, Slovenia).

Conference topics include implementation of NIR spectroscopy in the following fields: agro-food, industry and industry 4.0, biomedical, pharmaceutical, imaging, chemometrics, PAT/process monitoring, portable instruments, cultural heritage, environment, forestry and wood, aquaphotomics, and functional NIR.

Abstracts submissions are due 15 February 2020 and will undergo peer review.

Submit online at <https://conf.innorenew.eu/niritalia2020>

Before the conference, theoretical training and hands-on workshops will be offered to participants.

For the second time, SISNIR will publish the Symposium proceedings in a special issue of the international journal ISI JNIRS - Journal of NIR Spectroscopy.
