

Call for Papers

Special Collection on NIR Italia 2021

Journal of Near Infrared Spectroscopy

Impact Factor: 1.198

jns.sagepub.com

The *Journal of Near Infrared Spectroscopy* (JNIRS), along with the Italian Society of Near Infrared Spectroscopy (SISNIR), plans to publish the Proceedings from the SISNIR 2021 Online (Waiting for Slovenia 2022), as a Special Issue of the journal. Full papers from 'NIR Italia online' can be submitted for consideration with Drs Monica Casale, Anna Sandak and Jakub Sandak as Guest Editors.

Manuscripts will be submitted and reviewed according to normal criteria for the journal according to the journals scopes and aims as outlined in the Style Guide.

<https://au.sagepub.com/en-gb/oc/journal-of-near-infrared-spectroscopy/journal202605#submission-guidelines> Note 4.6

Submissions will be accepted at <https://mc.manuscriptcentral.com/jnirs> until the 31st of May 2021 to allow adequate time for acceptance and publication via the normal JNIRS review system.

Guest reviewers for the Special Issue of Proceedings will be:

- Monica Casale, University of Genoa
- Anna Sandak, InnoRenew CoE and University of Primorska
- Jakub Sandak, InnoRenew CoE and University of Primorska

JNIRS welcomes all interested delegates to discuss their submission with the Guest Reviewers.

Roger Meder
Editor-in-Chief, JNIRS
